

Summer Semester 2016/2017

Group plan 2BT2

	08:15 09:00	09:15 10:00	10:15 11:00	11:15 12:00	12:15 13:00	13:15 14:00	14:15 15:00	15:15 16:00	16:15 17:00	17:15 18:00	18:15 19:00	19:15 20:00
Monday	lecture Mechanical Engineering dr hab. inż. Radosław Mania Aula IFE <i>start on 13.03</i>		lecture Modern Physics dr inż. Andrzej Brozi Aula IFE		laboratory Mechanical Engineering <i>start in the 10th week of the semester (Katedra Wytrzymałości Materiałów i Konstrukcji)</i>		lecture Computer Aided Design dr inż. Jan Grudziecki Aula IFE		language course język obcy tutorials Wychowanie fizyczne			
Tuesday	language course język obcy tutorials Wychowanie fizyczne		tutorials Mathematics II dr inż. Sławomir Jagodziński 01			tutorials Mechanical Engineering <i>start in the 3rd week of the semester, Faculty of Mechanical Engineering, room 4M11</i>		tutorials Electronics and Electrical Engineering <i>2nd part of the semester, Institute of Electronics, Building B9, room 415</i>				
Wed	lecture Electronics and Electrical Engineering prof. dr hab. Michał Tadeusiewicz Aula IFE		lecture Fundamentals of Programming dr inż. Jan Grudziecki Aula IFE		laboratory Computer Aided Design <i>Faculty of Mechanical Engineering, Building A22, computer laboratory 103</i>		lecture Mechanical Engineering dr hab. inż. Radosław Mania Aula IFE <i>start on 15.03</i>		laboratory Electronics and Electrical Engineering <i>2nd part of the semester, Institute of Electronics, Building B9, room 215</i>			
Thursday	lecture Mathematics II dr inż. Sławomir Jagodziński 02 <i>start at 7.45</i>		laboratory Modern Physics <i>start in the second week of the semester</i>		language course język obcy		laboratory Fundamentals of Programming 106		laboratory Mechanical Engineering <i>6th-9th weeks of the semester (Katedra Dynamiki Maszyn)</i>			
Friday	language course język obcy			tutorials Electronics and Electrical Engineering 16		tutorials Business English for Engineers 1 mgr Elżbieta Krawczyk 104		laboratory Electronics and Electrical Engineering <i>1st part of the semester, start will be announced during the lecture</i>
